THE

Theme for Strong Prohibition Sermon in Two Norwich Pulpits by Rev. Walter E. Lanphear-He Gives Figures of Income and Cost for Norwich-Predicts National Prohibition by 1920.

At the Congregational church in Norwich Town on Sunday morning and Congregational church in Greeneville on Sunday afternoon Rev Walter E. Lanphear, field secretary of Walter E. Lanphear, field secretary of the Connecticut Temperance union, apoke upon the subject The Task That Lincoln Left, making his address a strong advocacy of the cause of na-tional prohibition.

The wording of the subject was sug-gested by the words of Lincoln on the

gested by the words of Lincoln on the afternoon before his assassination, to major Merwin. "Merwin," he said, "by the help of the people we have cleaned up a colossal job. Slavery is abolished. After reconstruction, the next great question is the dverthrow and destruction of the liquor traffic. And you know, Merwin, that my head and my heart and my hand and my purse will go into that work. In 1843, more than 25 years are under the influence of 25 years ago, under the influence of God's spirit, I predicted that the time would come when there would be neither a slave or a drunkard in the land. I have lived to see one prediction fulfilled. I hope to see the other realized."

ter that, the question of the amend ment will be given over to the states for ratification, and the necessary three-fourths of the states seem sure to be gotten in time for a saloonless nation by 1920.

When this amendment comes to the states and to Connecticut there will be a fight royal for the sending to Hart-ford of representatives and senators favorable to the ratification of the

Advantages Claimed. advantages of this amendm method of abolishing the liquor traffic are, first in the fact that the move vantage of this method is in its thorughness. Great progress has already been made by states and localities. More than 80 per cent, of our national

Thus we see that we are in the mids of a phenomenal movement for a dry country, and the question arises as to the motive back of that movement.

God's spirit, I predicted that the time would come when there would be neither a slave or a drunkard in the land. I have lived to see one prediction fuifilled. I hope to see the other realized."

The Hobson resolution for national prohibition, which came up for vote in the house of representatives last December, and in spite of the strongly organized opposition, and in spite of the pairing off, two to one, gained a majority of eight votes, will be reintroduced soon after the convening of congress on the 6th of next month, said Rev. Mr. Lanphear, and it will be kept before every session of congress until it gets the necessary two-thirds vote in both branches of congress. After that, the question of the amend-

The wealth production of Norwich in 1909 was \$9,389,000. Twenty per cent. of this would be \$1,877,000. Adding these various items of expense, and subtracting from them the money resubtracting from them the money re-ceived from license fees, we get the total net cost of drink to the town of Norwich in one year as \$2,355,000, or a little more that \$82 for every man. woman and child in the town. These figures are well within the lines of conservatism, and while they do not show Norwich's share in that part of license fees going to county and state, neither do they show the town's share in expenses to county and state, neither do they show the town's share in expenses to county and state caused. in expenses to county and state caused

ment is non-partisan and is drawing to its support large numbers of all guments, but here applies the saying of Lincoln: "You can fool some of the people all of the time and all of the people some of the time, but you can-not fool all the people all of the

More than of the properties of the people, and considerably more than half the population live in dry territory. One year ago there were nine dry states. Now there are 19, with three other states to vote on the subject of statewide prohibition during the side. We affect let our congressmen and senators know that we want them are vote and to work for the Antito vole and to work for the Hobson resolution. To these ends the Anti-Saloon League of America, which is represented in this state by the Con-That motive in the past was largely spiritual and moral and personal. At the present it is more largely economic and social.

BOSTON FRIEND WROTE WEDDING ANNIVERSARY POEM For Golden Wedding of Mr. and Mrs

Stephen Parker of East Great Plain. Mr. and Mrs. Stephen C. Parker, who wedding day just fifty years ago by the call of a party of about 30 friends, whose plan to come to celebrate the anniversary had been so quietly kept that their visit was a complete sur-prise. Several who came from Wil-limantic arrived about 4 or 5 o'clock and the others came later in the aftand the others came later in the afternoon and in the evening so that a very enjoyable time resulted.

There were gifts of yellow and white chrysanthemums, one gift of a \$5 gold piece and scores of good wishes, but the feature of the gathering was the anniversary poem written by Mrs. Isabelle Champlin of Boston, who was present also and read the appropriate

present also and read the appropriate erses, Besides their two sons, James A. Parker of Phillips avenue, who arranged the surprise, and Julian B. Parker of 10 Brown street, those attending included the two grandsons, Carl Stephen, the son of James, and Ralph Congdon, the son of Julian, as well as local friends, and about It from Willimantic and 6 from Montville, Among the last named was Mrs. among the last named was Mrs. Tharles Scholfield, who was 92 last September, and was the oldest person

WATER DEPARTMENT Auto Breaks Off Hydrant - Water

Street Main Springs Aleak. The skidding automobile of Frank Comstock of New London, registry umber 7894, broke off the hydrant in Mr. Tift enlisted in Norwich for three months' service in the war and served his enlistment with credit. He belonged to the G. A. R. and was particularly interested in its work.

Mr. Tift was the last of his family, but he is survived by his second wife, where months applicated Each one of the A. Comstock of New London, registry number 7894, broke off the hydrant in front of the Hathaway market on Saturday interested in its work.

John L. Counihan, vice president of the state association, and M. J. Murrelander was wet and slippery the state association, and M. J. Murrelander was wet and slippery at the time, A big volume of water was released and went spouting up like a released and went spouting up like a fountain until the water department nad shut the water off. Policeman Frank S. Henderson held up the machine until he had reported the matter to police headquarters, and

the water department was notified.

They got a new hydrant in at 2 o'clock Sunday morning.

A little before noon on Sunday the water department had another call for water department had another call for overtime work when a big leak was reported in the Water street 6-inch main in front of the Auditorium theater. Policeman Henderson also sent in this report. The water was shut off at the Market street corner, while the department's employes dug up the street to look for the leak. It was a puzzling one to locate as the water oozed up in several different spots and there was much digging to be done. The leak was finally repaired about 7.30 so that the water could be turned on again.

MAJOR LEARNED'S COMPOSITION Sung as Offertory Anthem at Park Church Sunday Merning.

n again.

At the morning service at Park Con-resational church Sunday the choir,

HARD TO HAVE
